## Professional Experience and Curriculum Vitae

Phoenix is a rapid-response creative agency and entertainment studio that delivers the most striking, distinguishable, and transformative content for the world's top agencies, Fortune 100 brands and recognized television networks; moving consumers to buy and audiences to advocate.

We help shape your story, idea, or production; primed to meet the ever-changing needs of content providers, advertisers, marketers and event organizers.

We are craftspeople and social artists defined by our fierce passion for excellence and zealous commitment to our clients, taking as much pride in exceeding their expectations as we do in winning them awards.
