Professional Experience and Curriculum Vitae
I have had an intrinsic curiosity about photography for as long as I can remember. As a young adult, I went to work at a camp in the N.C. mountains. This is where fate decided I should be a photographer. The camp had a photography curriculum, and I knew then and there my destiny was to be behind a camera lens. Over the next 25 years, I worked with several large studios in central N.C., including owning my own. My client portfolio includes Home Depot, Lowe's, Rooms To Go, Macy's, Closet Maid, Wellborn Cabinets, Hunter Douglas and Bernhardt Furniture. My style is laid back, creative, and I enjoy developing strong relationships with all of my clients. Email me, and let me know how I can help you.
