Professional Experience and Curriculum Vitae

"When I was little I wanted to become an Art Director. Now that I am older, I am a Copywriter".

Pilu Delgado is a bilingual copywriter with previous experience on art direction and production. She started out as an art director and spent 5 years working freelance for graphic design. When she returned to school, she found her long lost passion: writing.

Specialties:

Brainstorming, Pencil sharpening, Filling blank paper with words and ideas.
