Professional Experience and Curriculum Vitae

Since discovering her artistic streak in kindergarten ("I used to paint on my classmates"), pinglet has illustrated for Pepsi, Sony, Orange, Siemens and Rover.

Pinglet was one of four artists in the world chosen by Pepsi to design limited edition Pepsi Light cans.

In addition, she has illustrated several books, including 'Sex Tips For Boys & Girls' and 'Kama Sutra For Life' by Sophia Mortensen (published by Ryland, Peters & Small) and 'Zouk: The Book'. She has designed several lines of bags for American & Spanish clients, as well as a line of clothing for Spanish cult label Custo Barcelona. Pinglet also designed the 'Domina' doll for the Trexi series of action figures. You can also see more of her work in the new book 'IMAGEMAKERS: cutting edge fashion illustration'.

Currently based in Melbourne, she spends her free time listening to Dimitri From Paris, drinking too much coffee and keeping her two kids out of the kitty litter.
