Professional Experience and Curriculum Vitae

Pixretouch has been created in 2005, since hundreds campaigns and thousands pictures went through the stylus plugged to Photoshop on my custom made computer. Teacher at Quo computer series class, consultant at the Art institute of north Hollywood school.

Honorable mention for a NAPP contest in 2009.

Understanding of light and print process due to a background as assistant for big names photographers and a present interest to landscape panoramic photography.

Visit www.pixretouch.com to see samples and before and after images. Thank you..Christophe
