Freelance Designer

Walt Disney Imagineering 2010-Present

As a concept designer for WDI I've been responsible for modeling and rendering illustrations for a number of new developments and attraction concepts. Including the Hyperion Wharf/ Down Town Disney redevelopment.

Universal Studios Merchandising 2010-Present
As a designer for Universal I've been responsible for the design of retail venues and custom displays including expansions of the Harry Potter retail areas as well as signage and venues throughout both Universal and Islands of Adventure. I was also responsible for the merchandising graphics package for Halloween Horror Nights 2012 and 2011.

555 Design 2011-Present
As a designer for 555 I've been responsible for the design of high end, custom retail
