Professional Experience and Curriculum Vitae
Boutique Pools & Spas provides excellence in pool design and construction. By incorporating the personality of the customer and their lifestyle into the pool, Boutique Pools & Spas creates backyard resorts that allow you to enjoy the outdoor lifestyle that you have always dreamed about.

Caleb Moore and his team of hand-picked pool builders, tilers, tradesmen and pool designers take pride in creating the highest quality pools and spas in the Sydney region. An uncompromising attitude and a desire to constantly push the boundaries of contemporary pool design has allowed Boutique Pools & Spas to create innovative pools and spas.

The multiple award-winning pool designers take the time to visualise your ideal pool. You will be inspired when you realise all of the technologies that Boutique Pools & Spas is able to incorporate into your pool. Self-cleaning pools, LED lighting controlled by your phone and Italian tiles that can not be sourced anywhere else in Australia. No matter the scope of your dream pool, Boutique Pools & Spas can make it a reality.

Boutique Pools & Spas is based on the Northern Beaches of Sydney and has constructed hundreds of pools throughout the North Shore, Hills District, Eastern Suburbs and Inner West. If you have been looking for a pool builder in Sydney that you can trust, visit the pool builders Sydney website, and see the amazing gallery of pools that the Boutique Pools & Spas team have built.

One of the points of difference with Boutique Pools & Spas is the amazing standard of landscaping that is provided. A stunning pool is only as good as the garden and outdoor setting that surrounds it!
Boutique Pools & Spas will take the time to create a perfect backyard oasis so that your family can enjoy better quality time in the outdoors.
