Professional Experience and Curriculum Vitae

Bruno Postigo was born in Arequipa, Peru and currently resides in Ann Arbor, MI. He is one of the few photographers that is highly demanded in the Ann Arbor region for his skill of capturing unique traits and characteristics, by paying attention to miniscule details. His flexible schedule and friendly personality allows the subjects to express their personality in a stress-free environment. Bruno is committed with providing you a once in a lifetime experience with products tailored to your exact needs and demands. Lately, I have focused on live concert photography, and portraits. Most of my work is in black and white.

Previous Clientele

Skrillex, iSPY Magazine
