Professional Experience and Curriculum Vitae

Hello. I'm Rachael Beauty.

I graduated from the Aveda Institute in Los Angeles, CA. I am new to Hair Styling and would love to build up my portfolio by working with talented photographers and creative artists.

Please inquire within about my rates.

And if the concept is something I have not done or an original idea I may be open to it but feel free to pitch me when in doubt. I don't bite.

"Rachael Beauty's eye for detail brings out the ultimate finished look, for photo shoots, runway modeling, editorial portraits, weddings, theater, screen actors, and every day life. Her adaptive, creative design style fits your unique traits; like face shape, hair texture and skin tones. She listens to your natural features for direction..."

I specialize in:

Updo

Creative hairstyling

Glamour

Editorial

My Goals: include working with some of the most talented beauty/fashion & photography professionals in this industry. I strive to better myself to become a successful and talented hairstylist.
