Professional Experience and Curriculum Vitae

I'm a multimedia artist and graphic designer from the outback of Munich, Germany - working with various tools to transfer my inner vision(s) onto a surface. Besides the visuals I also produce music since 1998 (I have worked with a couple of musicians worldwide [e.g. Kenji Siratori, Daniel Lambert]).

My short 3D animations can be found at my vimeo channel: www.vimeo.com/r5m

Previous Clientele

Bacardi, Limango GmbH, gutefrage.net GmbH, Serways, Sedes Research, Location Design, etc.

Awards and Accolades

Please kindly get in touch for more information.
