Professional Experience and Curriculum Vitae
HubSpot Experts with experience in creating ads, data architecture, customer ideal profiles, and much more related to the end goal; sales.

HubSpot is a all-in-one CRM solution that help B2B businesses growing their business. In Radiant we are HubSpot experts with certified trainers. Ready to help your business.

Get the right solutions, prices, hubs matching your needs. We also help with scope, implementation, integration enablements, sales funnels and much more related to HubSpot.

We were founded in 2017 by Joakim Steenfos and Kasper Bjerggard with a passion about HubSpot CRM and Sales as a Service (which they acutally founded in the Nordics). We are located in Copenhagen and Oslo with more than 35 employees.
