Reagan Rajkumar

Objective I would like to establish myself amongst a reputable company within the media industry. My aim is to work hard and help evolve the company and myself. I would also like to put into action various versatile skills which I have possessed and gained over the years.

Experience June 2007 – December 2007

Creation Films Production and Distribution Company London

- ? Edited series of programmes by Creation Alternatives using Avid Media Composer.
- ? Compressed & Exported clips for DVD Authoring using Pre-Coder 3.
- ? DVD Authoring
- ? Designed DVD covers for a series of documentaries due for general release (Fox TV).
- ? Generated barcodes and uploaded onto Amazon.co.uk ready for distribution.
- ? Graphic design including cropping and scanning images for programmes to be televised and distributed.
