**Professional Experience and Curriculum Vitae**
"Raja Sandhu, who's 10 years of internationally renowned Brand Identity Design work and a corporate client list that exceeds 2000, has enabled him to provide world class solutions in a multi-disciplinary spectrum of brand design and strategy for the likes of Disney , Hasbro and the United Nations.

With over 3 million visitors to his site that span the globe, Raja has influenced, inspired, and helped many people and organizations over the years...along the way building quite a solid network and fan base. At the same time he has donated his services to several charities, positive causes and remains an active volunteer with non-profit organizations.

During this remarkable journey, Raja's work has been published in international best selling design books, ranging from the successful Logo Lounge series, Entrepreneur Magazine, and hundreds of online articles, as well as being featured in many design galleries -- including LogoPond.com, the largest showcase of logos online where he went on to win logo of the year in 2008 (www.logopondawards.com)...to the recently acclaimed book entitled Decoding Design (www.decodingdesign.com) which itself has gone on to receive several honours and awards. Raja recently won 'Best Designer Canada 09 - a prestigious international WOLDA award. A candid view of his accomplishments is often the most fun way of seeing what others have to say, this can be done with a quick online search of Raja Sandhu.

His loyal followers that include his clients, designers, students, and just about anyone with an appreciation of the art form, are the truest testament of his accolades. Raja refers to himself as a student of life but we put him in a class of his own"
