## Professional Experience and Curriculum Vitae

With traveling over 15 countries and 4 continents, Rick's capacity to adapt to cultures and environments is exceptional while unobtrusive. His dedication and integrity as an art director also inform his ability to shoot both on location and in the studio. He has been published in both fashion and news publications.

Ricky has shot campaigns for American Express, Nary Manivong, Eryn Brinie, and House of Mai. He is a contributing photographer to Lady Gunn Magazine. He is currently working on a portrait book and photography series featured in galleries across 3 states titled "Orgasm DeConstructed: Women".
