Professional Experience and Curriculum Vitae

Hi, my name is Sheree Louise Dillon, I often use the name reeloui when doing artwork. I'm from Cairns in Queensland, Australia. I lived in Brisbane for 2 years and I have recently graduated from Commercial Arts Training College in Brisbane where I studied a Diploma of Commercial Art (graphic design) so I also combine digital media into most of my work. Mostly, I focus on creating works with typography, illustration, photography, vector, watercolour, copic marker drawing, pencil sketches and some digital airbrushing.

Recently, I have had my work exhibited through my college for the Street Press Australia, Big Day Art competition to design their front cover. The brief was to design the cover featuring one of the Big Day Out artists. My work was short listed in the exhibition through CATC. More recently, I had another artwork featured in the Surfers Paradise Festival Decksabition, a project of 24 artist designed skateboard decks.
