Professional Experience and Curriculum Vitae

15 Years experience in design, I've worked in every facet of print media. With hands on experience in press and silk screen to embroidery, prepress and film output. Designed advertising for magazines, branding and re branding companies and products, literature and print collateral, packaging for shipping and retail, POP display for retail and trade shows.

Previous Clientele

I've designed for large pharmaceutical companies, medical companies, government agencies to online startups and every kind of business you can imagine. Always delivering the product/service my clients require in a timely manner, and on budget.
