Professional Experience and Curriculum Vitae

Ricardo Eversley is a London based Graphic Designer who manages to fuse dynamic modern digital techniques with commercial art processes. The work shown on this site is a subtle mix of both research and client based projects.

A knowledge of past and present visual styles can be seen via the diverse mix of creative solutions featured within the niches of Entertainment, Fashion and Youth culture consistently over the past 10yrs.

He now combines Studio work with the recent post of Lecturer of Graphics & Web at London Metropolitan University.
