## Professional Experience and Curriculum Vitae

"Have you got style or style has got you?"

I'm Art Director/Designer/Photographer

I was born in Iron Hill, i strongly believe in the future, in changes, in lateral thinking.

I adore work closely the problems and solve it in the better way as possible.

I strongly believe in team's work with both awareness and style.

I strongly believe the sky above the Tokyo bay looks like a television tuned on a dead channel.
