Professional Experience and Curriculum Vitae
My love of anything art related started at a very young age, being obsessed with image making that has a love for detail and color.

Having shifted gears eight years ago from mural painting involving private residences, and the corporate hospitality industry, I am now producing illustrations for Medical, Children and Kids, Food and Beverage, Editorial, Product, Surface and Web design. I have a background in painting and printmaking so moving into digital computer illustrating came fairly quickly.

Previous Clientele
Scholastic Books
Sony Metreon
Sony Style
Gallo
Thomas Bartlett Interiors
Sonoma County Museum
Vanderbyl Design
PPIC, San Francisco
AstraZeneca
Carpentier-Edwards
