Professional Experience and Curriculum Vitae

Dennis R. Holloway is an architect and urban designer practicing in Albuquerque, Santa Fe, and Taos, New Mexico, and Colorado and Arizona, USA. These pages present a broad overview of his professional career, including his pioneering passive solar sustainable architecture, ground-breaking architecture for Native American Tribes and Pueblos done in traditional native idioms, virtual reality reconstructions of archaeological Ancestral Puebloan sites in the Southwest USA, his urban design and early student and apprenticeship works, and information on links to other Internet sites he considers important.
