## Professional Experience and Curriculum Vitae

An ideas person with two feet on the ground.

Born and raised on Long Island, New York, Rebekka earned her BFA from Syracuse University. Design has taken her from Chicago to New York, New Haven and finally Ann Arbor. What stays with Rebekka is a commitment to her clients and a sense of humor to keep her going.

Never too fussy, but always thoughtful.

Rebekka's best ideas come from listening to her clients. Working closely with them and anticipating their needs yields successful design solutions.
