Professional Experience and Curriculum Vitae

Photographer Robb Long understands the importance of delivering a strong and consistent brand image. Creative, friendly, understanding, and willing to listen, Robb has developed a reputation as the type of photographer with whom artistic directors truly enjoy working.

With years of experience working with pro athletes, Robb is comfortable working under extreme pressure and time constraints. His clients also know his as a problem-solver as well as something of a handyman. (Need a live animal? A creative lighting solution?Construction on set fixed or revised? Robb is your guy.) A set built in minutes? Robb is your guy.)

Robb collaborates with his clients to craft a creative vision for every shoot. With a clear concept in place, he then sets the artistry in motion. Robb works with a top-notch production team, overseeing every aspect of the shoot. He is comfortable giving the talent direction and then letting the scene unfold organically - while he is right there to capture it. This produces the uncontrived, of–the-moment images he is known for. Robb as a strong appreciation for spontaneity, and his photographs show it.

Image follows image. Stories unfold. Photographs tell a brand’s story. Minneapolis-based photographer Robb Long creates award-winning brand images for all his clients.

Some of Robb’s most recent clients include Olson, Fulton Beer, Hennepin County Medical Center, and Pixel Farm Digital.
