Professional Experience and Curriculum Vitae

I am a designer based in France. I work in various fields such as consumer electronics, housewares and desktop accessories. Previous to this, I spent ten years in Hong Kong as a freelance product and graphic designer. I continue to have strong links with the Asian market.

My services include product design (Styling concepts, Photo realistic visuals, 3D modelling ...) and Graphic design (Icons, Corporate Logos and Packagings..).

I also provide engineering, prototyping and manufacturing services through my partner in Hong Kong. For further information don't hesitate to contact me.
