Professional Experience and Curriculum Vitae
Bringing together Interior, Product and Graphic design, studioHOPSCOTCH is a London-based practice that is committed to creatively translating your vision for any space or any brand.

Dynamic and inventive, we create bespoke projects that combine our experienced designers' creativity with that of specialist teams selected specifically for each venture.
From conception to completion, we offer a fully integrated service for commercial, retail and residential properties.

Expert in all areas of design and brand development, studioHOPSCOTCH is the creative brainchild of French interior designer, Clemence Pirajean. Since its inception, we have developed an impressive and successful international clientele with recent and diverse projects completed in London, Paris and Marrakech.
