Professional Experience and Curriculum Vitae

Ron Erwin has spent 30+years capturing nature and travel images of Canada - its landscapes, flora and fauna. Together with Lori Erwin, his partner in life and Ron Erwin Photography, they travel extensively photographing, exploring and observing Canada's landscape and wildlife from coast to coast. In February 2020 they moved to Picton in Prince Edward County, Ontario - just in time for Covid 19 to narrow their focus to The County. Prior to moving to PEC they were based in the Scarborough Bluffs (Toronto) and Ron was also a Professor of Photography and Digital Imaging at Seneca College. Ron's work appears in books, magazines, calendars, and corporate or residential interiors.
