Professional Experience and Curriculum Vitae

I am the Senior Marketing Manager for Room-33 which is a leading online source for home décor and collectibles. Room-33 is a fairly new company founded in 2008, our talented team's vision is to draw on our many years of experience and share our knowledge and taste with our valued and stylish customers.

Based in sunny Southern California USA, our experienced staff shop the world of home décor products from around the globe to provide our customer base with a palette of exquisite home design accents, furniture, and décor.

We source only the most high quality home décor goods and our Room-33 online catalog and exquisite products speaks for itself. Unique, tasteful, and beautiful!

We love what we do and we look forward to serving you with respect, excellent customer service, and the finest of products.
