Professional Experience and Curriculum Vitae

Rosie studied Illustration at Brighton University and has been working as a freelance illustrator since graduating in 2001. She now lives in London, and shares a studio in Hackney with some lovely furniture and exhibition designers.

She creates her work using a combination of stencils, drawing, collage and stitching, on a variety of papers, fabrics, canvases, and occasionally computers to piece it all together...

Rosie takes inspiration from mistakes, folktales, nature, victoriana, ephemera, patterns, history, people, children's books, objects, and her surroundings.
