Professional Experience and Curriculum Vitae

I am a product designer with extensive experience as a consultant to major international companies. I have been involved in the design process for most types of products including small electrical, transportation, power tools, furniture, lighting, interiors, graphic identity, home-wares etc. I am an extremely fast and exceptionally skilled designer with abilities from initial concept through to product development, documentation and implementation.

I am a problem solver and excel at idea generation.

Previous Clientele

Izzy, Nienkamper, Prager tools, CMS, AMP, Electrolux, Caroma, Philips, Victa lawncare, Sunbeam, Clipsal, Yates, Robinhood, Aristocrat
