Professional Experience and Curriculum Vitae

Hello, My name is Ruby. I was born in Northbrook 1992. I'm working very hard at Northern Star as a Junior high school teacher. I'm teaching 2nd, 3rd, 4th and 5th graders this year. I like reading, writing short stories like Ubqari wazaif for love for pleasure, swimming in my free time and searching on the net to develop myself. I think that although we are teachers we also go on learning everyday and life, itself, consists of life-long learning and the desire to learn.
