Professional Experience and Curriculum Vitae

Photography has been an obsession of mine for over a decade now. I feel very lucky to be able to do it as a full time profession. As an architectural photographer based in Calgary and regularly travelling to Vancouver and Toronto for commercial photography work, I spend my days creating photos that exceed my clients' expectations. Using the latest in medium format digital camera systems, I am able to provide photographs of the utmost quality.

Being a photographer in Calgary has enabled me to shoot some of the most amazing people. In the last 5 years I've had the privilege to photograph His Holiness the Dalai Lama, Jerry Seinfeld, Gordie Howe, Dr. Alan Greenspan, Dr. Stephen Covey, Bob Woodward and Sir Richard Branson, just to name a few.
