## **Professional Experience and Curriculum Vitae**

I live my life very happily by god grace, I am working in IBM as a MANAGER . I am very hardworking person and this inspiration comes from my dad. I also love to do sports activities in my free time. In my company, I met a person who is an astrology expert and he told me about a protection spells for loved ones which is very interesting and enjoyable for me, on my weekends I spent time with my family and friends.
