Professional Experience and Curriculum Vitae

WE ARE AN AGENCY THAT MOVES PEOPLE AND IS MOVED BY PEOPLE

Seeing the world through someone else's eyes is one of the most difficult yet most powerful things we can do. But we are committed to trying. We believe that, only when we truly understand how people think and feel, can we move them to action.

Saatchi & Saatchi Wellness is a specialist health and wellness advertising agency and a creative force within Publicis Health – the largest health agency network in the world. With ideas that are creative, compelling and rooted in truth; we connect with people and connect people with each other.
