Professional Experience and Curriculum Vitae

A right-handed Virgo, real ale drinker, devoted husband/father, lover of Pork Scratchings and Maynards Sports Mix. Stuck in a late 70's time warp, lover of CD's and hates MP3's.

Addicted to the smell of Alvin ellipse guides and obsessed by the quality (and concistancy) of line-weights. An experienced user of Letraset, typeset waxing machines and Spray Mount ~ whatever happened to Rotring rapidograph pens (0.25 mm was my weapon of choice)?

I graduated from Blackpool College in 1986 with a HND in Technical Communications. Since 2004, I have been managing a team of Technical Illustrators, Technical Authors, Graphic Designers, New Media specialists and Parts Analysts.
