Professional Experience and Curriculum Vitae
I'm a young (ish) creative with a passion for digital. Originally from Birmingham, I've spent the last three years in London, at agencies Wunderman, Skive and EHS 4D, working as both an art director and a copywriter. I'm now freelancing in Sydney and continuing to doodle along the way.

I love art, illustration, film, fish and all things handmade. And I'm a big kid a heart.

Previous Clientele
Nestle, KitKat, Barclays, Carlsberg, Vauxhall, Tesco, Peugeot, Ford, Land Rover, Microsoft, FedEx, Talisker, Odeon
