Professional Experience and Curriculum Vitae

Saroj Patel is a illustrator, graphic designer and artist currently based in London.

Saroj studied graphic design at the University of Leeds and started to develop her illustration style. After having graduated university she moved to London, where the cities artistic diversity within its culture, architecture, history, sights and sounds inspired and contributed to her illustrative style. Saroj constantly finds herself full of ideas and wanting to explore and develop different techniques of drawing and image making.

She has worked on a variety of projects from small intricate ink illustrations to large-scale murals. Her work posses a distinctive style, where it displays a fluidity of movement through the use of patterns and lines. Saroj is fascinated by color, pattern and detail and incorporates this in her artwork.
