Professional Experience and Curriculum Vitae

Senior Concept Artist, Sculptor and Art director with 15 years of experience designing for Film, TV, Theatre and Commercials.

As Head of Design at The Jim Henson's Creature Shop and now freelance I have gained a wealth of experience designing for all aspects of creature special effects in the Physical and CG realms: including puppets, animatronics, walk about costumes, make up and prosthetics, environments, costume, props and vehicles.

Intuitive and quick to grasp requirements and limitations to deliver concepts for all worlds from cute, graphic, realistic, anthropomorphic, horrific to science fiction and fantasy.
