Professional Experience and Curriculum Vitae

The Minneapolis law firm of Schaefer Halleen focuses on the protection of individual rights through the resolution of employment law claims. We give a voice to victims of workplace misconduct. We are honored that our clients trust us to counsel them through the litigation process. We commit to apply the full breadth of our experience, skill, and creativity toward a satisfactory resolution of each case we take. Contact us for a confidential consultation about your legal problem. We will help you solve it.
