WHO WE WANT?

We are dedicated to finding the right people to join the BMW Dealer network. Knowing how an engine works is an essential asset if you want to work as part of a BMW team, but knowing what makes people tick is every bit as important. Our dealer staff share the same passion and enthusiasm for people who walk into the showroom, as they do about our brand. So if you are looking for an exhilarating and rewarding career in sales or service, are passionate about all things BMW and are as enthusiastic as we are about delivering the best customer service, we would love to hear from you.

LAUNCH YOUR CAREER IN RETAIL.

DISCOVER WHO WE WANT.

Just like our cars, the people who work in the MINI Dealer Network are the best in the world, not just because they are bursting with enthusiasm for all things MINI, but because they have an uncanny knack of making people feel good. They know that it's the little things like remembering a customer's birthday that make the difference between a customer coming into the showroom once or coming back year after year. So if you have a genuine passion for customer service and a deep rooted love for one of the world's most iconic brands, we can offer you a highly fulfilling career in a dynamic and exhilarating environment.

WE ARE DRIVEN BY PASSION.
HOW ABOUT YOU?
CAREERS IN MOTORRAD DEALERSHIPS.

WORKING FOR A MOTORRAD DEALERSHIP.

The best and most forward thinking automotive brand in the world needs a dealer retail network that shares the same values and outlook. What is the secret to this? Quite simply, the people our dealers employ. Their attitude, enthusiasm and commitment set them apart, and therefore as a precious commodity, our dealers really do look after them. So if working for a great brand, with a group of like-minded individuals in an exciting location appeals to you, browse the careers available.
