Professional Experience and Curriculum Vitae

A resourceful, intelligent designer full of ideas. Always eager to learn and grow further, ready to help inspire and be inspired. Has a flexible, artistic style that can be applied to a wide spectrum of projects ranging from serious, business based work to the eye-catchingly humorous.

Sean creates Graphic Design for both Print & Web, backed up with over 5 years industry experience. Greatest hits include; flyers, business cards, logos, corporate stationery, posters, website design, HTML and CSS coding, SEO, social media, bespoke digital artwork... but most importantly, ideas.
