Professional Experience and Curriculum Vitae

Commercial Jobs

I have designed and built props and special effects for film, television, commercials, theater, theme parks and retail environments using fiber glass to fabric, puppets to robots. Projects include huge puppets Sea World San Diego, a mock Manhattan for New York, New York Hotel and Casino in Las Vegas, Mayan sculptures for Knott's Berry Farm, giant mechanical flowers for Ontario Mills Mall, Ontario, California, model trains for GM Diesel Canada, giant Jell-O fruits and a variety of creature costumes and wall hangings.

Previous Clientele

Art work for Ritz Carlton, Smithsonian Ocean Museum, fine art and marine museums.

Awards and Accolades
