Professional Experience and Curriculum Vitae
Hello, my name is Shawn Rossi. I have been working professionally in the Creative Industry for over 17 years. I am a multidisciplinary, hands-on Creative Director + Designer + Artist, who is very passionate about: art, design and conveying a client's message. In short, a modern day Renaissance Man. I am devoted to using my skills, knowledge, and experience in the Creative Industry by contributing as a team leader/member in creative problem solving. Achieving this with professional experience in 3D/2D animation, motion graphics, photography, illustration, web design, print design and multimedia authoring.

Previous Clientele
AT&T, Ford, The Children's Hospital, Miller-Coors, Dr Pepper, Anheuser-Busch, EA (Electronic Arts), The Discovery Channel, The Science Channel, Crown Royal, Hennessey, Mercury Mambo, Impossible Pictures, Bottlerocket Design, Medtronic
