Professional Experience and Curriculum Vitae
Welcome to Shear Architectural Design Ltd, where our mission is to translate your dream into reality. Whether you're planning an extension, loft conversion, new build, or renovation, we actively listen to your needs and find thoughtful ways to inspire, create and enhance your way of living.

Your voice is heard at all times as we simplify the technical challenges of architecture. With extensive experience in building new homes in the UK and Australia, our award-winning practice has an impressive success rate of gaining Planning Permission and Building Regulations, before building. Our high rating by industry bodies and customers alike reflects our dedication to providing exceptional service. Contact us today to discover how Shear Architectural Design Ltd can turn your vision into a reality!
