Professional Experience and Curriculum Vitae

Currently I'm working with Infocenter Training Institute in Kuwait. I studied Graphic Design at Yarmook University 2002-2006 in Irbid, Jordan. I worked as a designer before joining the university for around 3 years, during that time I managed to get the Adobe Photoshop 5.0 Adobe Certified Expert (ACE) certification from Adobe.

My objective is to obtain a position where I can apply my talents, energy, and problem solving expertise to positively impact a company's growth.

The major graphics design software's in my work includes Adobe Photoshop CS5, Adobe Illustrator CS5, Adobe InDesign CS5 and Adobe Flash CS5.

Among the softwares that help me in my art works includes (minor softwares):

1- Poser. 2- Vue (3D Scenery program).

I enjoy doing abstract art, 2D illustration, playing with typography and Magazines Art. Also I do photography which is a hobby that keeps me inspired and gives me a great assistant in my work.

Previous Clientele

Among the clients I worked for while I was working in advertising agencies and other companies are:

- 1- Info Center Training Institute.
- 2- Aiwa Gulf.
- 3- Q8Showroom.com
- 4- Q8 CV.
- 5- Dart Media.
- 6- Future Communications Company.
- 7- The Sultan Center
