Professional Experience and Curriculum Vitae

I am Fashion and advertising photographer and have done BFA with photography major.

My work has been a part of international exhibitions in year 2005 at Yokohama Biennale (Japan), and year 2006 Busan Biennale (South Korea)

Also received CAG nominee for best Photography oriented campaign.

After doing these two International Group shows I started assisting one of the renowned , Bombay based, advertising and fashion photographers. After assisting him for almost two years I started taking up assignments and working as a freelance photographer in Industry since last one and half year.

Ever since I started taking up my own assignments I have worked on many editorials nationally and internationally, advertorials and advertising campaigns. Also I have done many folios, profiles for models and DJ and theme based shoots for choreographer, Advertising shoots for Fashion Designers for their collections also for Tv channels for reality shows.

My work has been published in Publications like Verve , Grazia (World Wide Media) , Hello! (World Wide Media) , MegaModels, SLANG Magazine (Thailand) , W25 (USA) , Photo Technique Magazine (USA), Doux style magazine (Argentina), Liberating Style Magazine (USA)

In advertising shoots I have done Brand promotion shoot for SISLEY (French Brand), Marigold Group also campaign for Zee News Music to Money reality show.

I am training myself to develop perfect understanding for my subject and photography as a whole, which I always try to incorporate in my pictures.
