Professional Experience and Curriculum Vitae

I am a graphic designer living and working in Toronto, Canada. I graduated from OCAD University with a Bachelor of Design degree in Graphic Design. I specialize print and web design and have experience with motion design in Flash. I am familiar with the latest versions of the Adobe Creative Suite and have a great understanding of HTML and CSS, and can use other web-related languages (PHP, JavaScript/JQuery) effectively.

Previous Clientele

WIND Mobile
Toronto Humane Society
Taken Aback Productions
OCAD University
Shufflesome
