Professional Experience and Curriculum Vitae
Simeon Elson is a London based international illustrator and graphic artist. Simeon Began freelancing in 2005 and since then, he has been commissioned to produce illustrations and designs for: flyers, portraits, books, apparel, posters, websites, logos/branding, wall interiors and magazine editorial.

Simeon fuses, vectors, pixels, textures and traditional techniques to create images that are iconic, conceptual, diverse and fresh. His current portfolio consists of both commissioned and self initiated projects inspired by music, comics, street art and current affairs. Simeon simply loves being creative and strives to inject as much of his personality into his work as possible.
