Professional Experience and Curriculum Vitae

Sarah Preston (Sarah Preston-Bloor) is a freelance illustrator predominantly illustrating children's books and also has considerable experience in the advertising and greetings cards industry. Sarah is passionate about her work and is committed to producing high quality illustrations to tight deadlines.

Sarah uses traditional media to produce cute and often button-nosed characters that appeal to the children's market. Her illustrations are rich and vibrant in colour and would work well in many formats such as publishing, merchandising, packaging, toy design and advertising.

Sarah also shares her skills and knowledge teaching at Turton Media Arts College.
