Professional Experience and Curriculum Vitae

Auckland Photographer Robert Mora is an accomplished photographic creative with an ability to capture the exciting and intimate possibilities in every moment. His ability to work across diverse genres of Commercial Photography from Product to Architecture Photography, Studio Fashion to Landscape. Creating a fresh connection with every new subject has helped develop a wide range of lighting techniques and technical skills. Robert believes in the power of the image to fire the imagination and tell compelling stories through creative imagery, working with clients from all areas of business in Australia and abroad.
