Professional Experience and Curriculum Vitae

Have a great interest in e-learning, games and multimedia production; learning materials, animations and computer graphics, even exhibition design.

Have a great interest in reliefs and tactile images for example made for museums and illustrations, text books eg. to portray exhibits, objects and pictures for the visually impaired and blind people, but even other visitors taking part in multimodal learning processes through experience.

I am interested in graphic design and product design; different materials, glass, concrete, metal, wood, ceramics, textile.

I work both with computer graphics;

2d-graphic and 3d-graphic, animation, Adobe CS; photoshop, illustrator, Flash, I even got experience working in other programs; for example Maya and After effects,

and I make illustrations by hand outside the computer; watercolour, pastel, gouache.

Previous Clientele

Published by for example: Laurence King Publishing Ltd (London) och Harry N Abrams (US), SIH- läromedel (Stockholm), Arvinus förlag AB (Stockholm), Kraft & kultur (Stockholm), Vägverket (Stockholm), Stockholm university, worked with Interactive institute, International museum for childrens arts in Stockholm, Carol Schwartz (USA), Special Education Authority, the transport department, Pool gallery in the old Tramway museum at the platform of Odenplan Subwaystation, The magazine of adventorus families with children ...
