## Professional Experience and Curriculum Vitae

### About us

Spectacular Studios is an high end creative artist representation agency. We represent and manage Photographers, Stylists, Makeup artists, Illustrators and Digital/Motion artists. Working with the finest established and up and coming world talents, Think of us as a creative toolbox with a single purpose: To make your vision, a perfect reality.

### Vision

We have a pure vision: To meet and exceed any and all of our client's needs and expectations. Like imagination, creativity has no restrictions. Therefore to provide complete artistic freedom, we make anything possible. As a company we continue to evolve, always keeping fresh and relevant.

### What we do

From Photo shoots, location scouting, equipment, travel plans, models and accessories. To studio space, make up artists, hair stylists, film shoots and special effects, we provide it all. We understand the demands of the industry and feel our clients deserve only the best. We go above and beyond to ensure that any collaboration we enter into produces spectacular results.

We are based in Stockholm Sweden, with Affiliates accross the world.
